Start of the School Day

Please make sure that your child is in school by 8.45 so they have time to complete their response work. **The back doors will be closed at 9.00, and any children arriving late will have to come through the front door and report to Mrs Grady.** Currently children are arriving late through the back doors and are then missing their mark in their register, and more importantly are not ordering a dinner!

To infinity ... and beyond! - Reminder

The whole school will be celebrating National Space Week with a themed afternoon on Tuesday 8th October. **We would like to invite parents from all year groups into school from 1:15pm to spend the afternoon learning alongside their children and taking part in a range of space activities.** Children will also be able to enjoy a special space-themed school dinner before the event.

The Space menu will be: Pluto pizza (v) or moon meatballs on wormhole spaghetti with asteroid sponge cakes to follow.

Homework Project

Just a reminder that homework projects are due in on the 21st October.

Roald Dahl Day

The school looked fabulous last Friday with a fantastic array of costumes. Work from the day will be going up in the reading corridor soon. Thank you to everyone who supported the cause - we raise a fantastic £52.00.

School Council Nominations

Children from Years 1 to 5 have been invited to stand for election to be the school council representative for their class. School Councillors meet regularly to discuss a range of things, such as how we can improve our school. If your child is interested in taking on this role, they should ask their class teacher for an application form. The election will be held on Thursday 17th October and the results will be announced in assembly the following week.

Plea from Puffin class

Miss Boorer is asking any parents if they have any old clean white large bed sheets and any boys clothes aged 3 - 5.
