### Sainsbury's Vouchers

Please bring in any vouchers that you have lurking around the house or in your pockets! Sainsbury's are no longer giving them out so we will have to redeem them soon.

### School Trips

As our whole school topic is learning about Whitby, we are going on lots of local trips around the town. If children are leaving school and we have on their school records that they have asthma then we will not take them without their inhaler. We have had to make many last minute phone calls looking for them, so if you know that your child needs an inhaler then please send one to school. If your child does not require an inhaler any more then please let Mrs Grady know and she will take it off of their school record.

### Facebook

Don't forget that we have a school Facebook page that is updated almost daily with photographs and information. If you want to follow us then please look for West-Cliff Primary-School.

### Fake Tattoos and Nail Varnish!

Can I please remind you that children should not have painted nails for school and should not be wearing fake tattoos!

### Coats

While the weather is so changeable it is vital that children bring a waterproof coat to school. We have had some very wet children lately!

### Surfing Lessons!

Our children in Year 6 start surf lessons this Friday with Whitby Surf School. Look out for us on the beach!

### Cycling Adventure

Our Year 5 children start their cycling adventure this week. We will be going to East Barnby to learn how to survive whilst camping! Then we will be camping in Dalby Forest.
