### Welcome Back

I can't tell you how good it is to be back, and to be surrounded by so many smiling faces 😊 It has been a pleasure to be in school this week. Despite all the extra precautions children have to take they have continued to smile, do exactly as asked of them and be nothing but enthusiastic!

Thank you for trusting us with your very precious little people, I promise to take care of them 😊

### Celebration Certificates🎉

As we are unable to have assembly we are just going to send out certificates instead, and still announce them on here.

Puffin Class	- Lily-Rose Barsby

Starfish -	100%
Turtles	100%
Penguins -	97.9%
Seahorses -	95.7%
Dolphins -	100%
Seals -	100%

### Homework

This year, homework will be set differently.

We will be making more use of Seesaw for those who have access to devices at home.

Your class teachers will give more information about this.

### Dinner Menu

Is enclosed with this newsletter in case you have not got a copy.

### IMPORTANT NOTICE

We are following strict government guidelines which is why your children are in class bubbles and are not able to mix. We are using separate entrances and staggering lunch and break times. This is all undone if your children play together at the end of the day, or if parents do not social distance when collecting and dropping off children. To try and improve the situation we are having a one way system on the playground. You need to come **IN** the gates opposite the **LEISURE CENTRE**, and **OUT** the **SIDE GATE** (which you usually use)

Gates will be open from 2.45 in the afternoon and 7.45 in the morning.

**Please observe social distancing at all times when outside of our premises and on it.**

Children are not allowed on the tyres - these again are used on a rota basis by different bubbles.

### Testing

If you are awaiting covid tests results then please let us know as soon as they have been returned!
