This week there are no celebration certificates as we have so many children isolating, and we are not in on Friday!

Attendance

Attendance for last week was 98.6%

Puffins -	96.9%
Starfish -	100%
Turtles	100%
Penguins -	100%
Seahorses -	99.0%
Dolphins -	100%
Seals -	94.7%

Covid Notifications during the holidays

If your child develops symptoms on the Friday or Saturday (18th and 19th) and subsequently tests positive you must inform me so that I can inform other parents. You may be contacted by school up to the 23rd December to be told that your child has to isolate for the Christmas holidays. I will be contacting parents on facebook and on the my child at school app.

If you do need to contact school then please text or call the school mobile on 07432054001 or mail me at ceo@yeat.co.uk - I am the only person that can access this phone over the holidays so anything you tell me will be in the strictest confidence.

Virtual Christmas Performance 😊

I hope you enjoyed our virtual nativity - please feel free to share it with family 😊

I know that we have several parents that work in care homes - if you would like to share this with your residents then we would be delighted.

Support

I know how incredibly difficult this situation is for many parents - both financially and emotionally. If you do need any support then please mail me at ceo@yeat.co.uk or text the school phone on 07432054001 Please remember that asking for help is a sign of strength - not a weakness. We are now in a position to help anyone that needs support with food or toys in particular 😊 (and I will try with anything else!)

Parent Governor Elections

We will be counting the ballot forms after the holidays (due to being closed on Friday). Please post any remaining ballot papers through the school letter box.

Parent Questionnaire

Thank you to everyone who took the time to complete a questionnaire - it is really helpful to see how you feel at this time 😊 We will analyse the results after the holidays and let you know the main findings and any changes we will make as a result of them.

Thank you for all of the very supportive comments you have written - it has been a real boost for school staff 😊

Happy Holidays

Have a lovely holiday whatever you are doing 😊 If we have learned anything during the last 9 months it is that we need to cherish the small things, enjoy time with your family - look after each other, be kind.

Hopefully I will not need to contact you in the holidays (fingers crossed) but please check facebook and your my child at school app regularly - this is where I will announce bubble closures.

If your child does test positive during the latter part of the holidays, please let me know and then make sure they complete 10 days of isolation before returning to school.
