Flamingo Land

As Flamingo Land have opened, we are going! We promised Year 6 last year that we would steal them back from Caedmon and Eskdale this year to go (as they missed it last year) and we are honouring that promise! The schools know and are happy for them to rejoin West Cliff for a day 😊 We will be taking Year 6 and Year 7 on June 18th 😊 Hopefully all of the rides will be open by then!

Mrs Knight and Miss Eglon

Both Mrs Knight and Miss Eglon now have 28 week old bumps 😊 therefore they now have to work from home due to increased covid risks in schools. Both will be appearing in school 'virtually' and we will update you with baby news when we have it 😊

Mrs Lawn

Mrs Lawn has decided not to return to teaching in September which will be a huge loss to West Cliff. She has thoroughly enjoyed spending more time with her family and developing her card selling business 😊 She will always be a part of Family West Cliff - we are very grateful for all of the hard work and dedication she has shown West Cliff in her time here.

Mrs Grady

We are also very sad to say goodbye to Mrs Grady at the end of term who is ready to enjoy her well earned retirement, after 30 years service to West Cliff. As our longest standing member of staff, she certainly has some tales to tell. Her kind, calm manner and incredible efficiency will be missed by parents, staff and children. I am sure you will all join me in wishing her a long and happy retirement - mainly I imagine spent at her beach hut!

Covid Tests 😊

Did you know that as a parent of a child in primary school you are able to access twice weekly testing for yourself? Follow this link for more information <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

You can also pick up boxes of lateral flow tests at the testing site at the Park and Ride on a Sunday.

Beach Week (10th May)

We are busy planning our beach week activities and you will be getting letters soon telling you what children will need each day 😊 fingers crossed for some glorious weather!
