Beach Week

We had the very best week last week on the beach - all classes went down most days and completed a variety of activities 😊 Happily the weather was really kind to us and didn't prevent us from doing anything we had planned!

Starfish and Turtles have continued the beach fun this week by making hot chocolate and toasting marshmallows on our Kelly Kettle 😊

Masks Reminder

Please can parents remember to wear face coverings when dropping off or collecting children from school. Although lots of you have been vaccinated, we have children and some staff in school that have not. Therefore we would appreciate it if you would help in keeping us all safe 😊 If a member of the staff reminds you of this rule please do not be rude to them!

School Photographer

Richard Saltmarsh came earlier this week and took some fabulous photos that we will send to you soon. We have class photos and individual photos 😊

Covid Tests 😊

Did you know that as a parent of a child in primary school you are able to access twice weekly testing for yourself? Follow this link for more information

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

You can also pickup boxes of lateral flow tests at the testing site at the Park and Ride on a Sunday.

Vouchers - reminder

We are distributing Aldi vouchers for the May half term holidays to those children entitled to free school meals. Can you please pick your vouchers up from the office - we are reluctant to send them home with children in case they get lost. Please collect them from the school office at the end of the school day or the beginning 😊

Our School Grounds/new bench 😊

These just get better and better! Please encourage your child to look at everything that has been planted and explain to them how to look after them 😊 Thank you Alan Everson for all that you have done, and everyone else who has helped. Our new bench from Lush Coffee is looking fantastic! 😊 Thank you very much!
