Sports

A huge well done to the Girls football team who have competed in the North Yorkshire Sport Games on Sunday. Not only did you get up super early but you played with immense pride and determination all day! The girls had a fantastic start in their group, winning 2 and drawing 1 making them group champions. They then progressed through to the quarter finals where it came down to a penalty shoot out and the girls narrowly missed out. We are all so proud of you as you never gave

up and it's already a huge achievement to even qualify for these games. Not only did you represent West Cliff today but the whole Ryedale and Whitby area as well. A big thank you to all of the parents that came today and supported us.

Thank you!!

Thank you for another year filled with fun and adventure! We are delighted that this year our Key Stage 1 SATs, phonics screening scores and Key Stage 2 SATS are all above national average! That is due to the partnership of hard work and dedication of teachers and parents ☺. There will not be a newsletter next week, so have a lovely restful holiday. Keep in touch with us about the things you get up to over the holidays on Facebook or Twitter ☺
