## Year 6 Fishing Trip - By Mr Paul Gildroy

What an absolute fantastic day we had last Thursday fishing on the fishing boat Mistress with Rich Cope and Alex Leadley. All of you were a credit to West Cliff School, I think some of you were a little nervous at first (including Miss Evans and Miss Smith) but you soon settled into it. For most of you it was the first time going to sea on a boat let alone fishing, so well done.

Once we caught some fish it was great to see you standing there proudly holding (for the first time) your catch for a photo, smiling like Cheshire Cats. Nothing whatsoever seemed to phase any of you so I congratulate each and everyone of you and hope you enjoyed your day as much as I did.

I'm a firm believer in making memories and I'm sure that this will be one of those memories. I am now looking forward to coming in on Wednesday to help you fillet and cook the fish that you caught, we'll be using different cooking methods including using a smoker. Best of all we can eat what we cook.

See you all Wednesday, Paul Gildroy
