How many sweets in the jar?

As part of our enterprise task in Year 6, Joe will be in the corridor on Monday breacktime and lunchtime with his stall. For 50p, children can guess how many sweets are in the jar. The winner (with the closest guess) will win the contents of the jar! Thank you for your support.

Norovirus

I am sure that you have read lots on the news about the norovirus that appears to be sweeping the country. If your child does vomit then please keep them at home until 48 hours after the last time they were sick. At school we are encouraging children to wash their hands to prevent the spread of germs.

Online Safety

Last week we had an incident where some of our Y5 boys had an unpleasant experience with older children whilst playing x box live. The police have been to school to gather information and are returning to school at 9.00 on Friday 6th December to do an assembly for our KS2 children. Any parent that would like to attend this assembly is strongly encouraged to 😊
