### **Tour de Yorkshire- Reminder**

TOMORROW we will be closing at 1.10 (same as other local schools). This is due to the Tour de Yorkshire travelling through Whitby and surrounding villages. There will be significant road closures. Children will have lunch and registration and then be dismissed at 1.10 same as at the end of a normal school day.

**Guppy Class please remember we are shutting at 12.30 which is the beginning of our afternoon session.**

### **Water Bottles**

Please make sure that you regularly clean your child's water bottle, we have been informed that latest research shows that there can be mould in the cap that we can't see. After our recent sickness bug we want to be as careful as possible.

### **Homework**

A letter has gone out about homework this week, please make sure your child returns it by tomorrow.

### **Library Volunteers**

The town library is looking for volunteers to help keep it open! This is a vital part of our community, if you have any spare time and are interested then please pop into the library and sign up!

### **Reminder**

Please could we remind parents that children should come into school through the back door. If parents need to go to the office please could they drop their children off first to avoid congestion at this busy time of the day.
