Seahorses -	94.2%
Dolphins -	93.4%
Seals -	96.1%

Our whole school attendance for last week was 94.0%

Mobile Phones In School - Reminder

Can we politely ask that parents do not have their mobile phones out in the school building. Even in events such as Christmas around the world we would appreciate it if you would leave your phones in your pockets! Please do not take phone calls or take photographs in the school building. GDPR rules mean that you can take photographs at public events such as the Christmas play in church, but not whilst you are in the school building. Parents with phones out will be asked to put them away if seen by members of staff!

Clubs

Clubs start back on Monday - letters have gone out. Your child must return a slip by Friday 11th January if they want a place in a club - it will be first come first served !

Homework

The grid for this term is about to go out - please support your child with their homework, particularly reading - it really does make a difference!

Reading Hut

The observant amongst you will have noticed our reading beach hut has arrived. We would appreciate any donations of books that you have at home to spare. Once it is ready to use we will have an official opening!

Swimming

Swimming starts next week. Please send in your swimming money promptly - if we do not get enough contributions this term then we will have to look at reducing the number of swimming lessons in the summer term. It really is a very cheap way for your children to learn to swim! We would hate to lose this valuable addition to our curriculum.
