My Child At School - Dinner Money, Clubs and Homework (reminder)

You will be delighted to know that you can now pay dinner money, swimming money and fun club money on your my child at school app 😊 The menu on the left hand side has a tab for dinner money and a tab for products.

The creative homework grid for Y1-Y5 is now on My Child At School too. Once you have made a decision as to which homework your child will be doing this term (project or Sumdog) please make your choice through the clubs menu on the app. This will not sign your child up to a club, but is a way for us to collect information in a paperless manner. Please make your choice by Friday 17th January. We will assign Sumdog homework to children who haven't signed up to either option. Please see Miss Evans if you have any problems. You can also send us messages on the app.

You can no longer book your child into an extra curricular club on the app as we had reached the deadline on Saturday and clubs started this week. If your child does want to still sign up for a club then please see Miss Evans.

New Enquiry for this term

Our new enquiry for this term is 'What can we learn from history?' the focus for Key Stage 1 is The Rohilla and The Titanic, and the focus for Key Stage 2 is The Romans. If you have any resources that could support us then please send them in!

Reading with your child at school

Last time we had a reading session with parents it was very popular, so we have decided to do it again - and hopefully make it a regular event in school (so don't worry if you can't make this one!) We are spreading these events out so that parents can attend with several children in different classes! Each event will begin at 2.30 - where you are invited to go into your child's classroom and share a story with them (or a group of children if you are feeling confident!)

Monday 20th - Year 5 and 6

Tuesday 21st - Year 3 and 4

Thursday 23rd - Year 1 and 2

Friday 24th - Nursery and Reception

During these sessions we will also be asking you to complete an online questionnaire for Ofsted (parent view). We are expecting an inspection this year and would really like up to date views of parents. I pads will be in classes logged into the website so you only need to answer a few questions! If you would rather complete parent view at home you are very welcome - just go to <http://parentview.ofsted.gov.uk>.

Menu Change
