Homework

The grid for this term has gone out - please support your child with their homework, particularly reading - it really does make a difference!

Reading Hut - plea !

The observant amongst you will have noticed our reading beach hut has arrived. We would appreciate any donations of books that you have at home to spare. Once it is ready to use we will have an official opening!

Swimming

Swimming started again this week. Please send in your swimming money promptly - if we do not get enough contributions this term then we will have to look at reducing the number of swimming lessons in the summer term. It really is a very cheap way for your children to learn to swim! We would hate to lose this valuable addition to our curriculum.

PE Kits

We are noticing that we have a core of children that are not bringing a PE kit to school on PE lesson days - please ensure that your child has a PE kit in school at all times and that they have a swimming kit on a Tuesday. We will be sending out letters for repeat offenders!

Attendance

I am pleased to say that our attendance last term was almost 96% □ Please try to continue this - attendance really does matter. We will be sending letters out next week for children whose attendance fell below 95%.

Uniform

The vast majority of our children come to school in full uniform and look incredibly smart □ Can I remind a few people (mainly Y5 and 6) that jeans are not acceptable school wear!

Menu Change

Thursday week 1 and 2 menu has changed slightly please see attached new menu.
