As you know, we expect children to have attendance of at least 96% over the school year.

Puffins ~	91.7%

Turtles ~	90.6%
Penguins ~	89.5%
Seahorses ~	91.1%
Dolphins ~	93.6%
Seal ~	90.8%

Please continue to support us to make our attendance as good as it possibly can be.

Our whole school attendance is only 94.4% so far this year so we need to do much better this term!

## Sports

Congratulations to the Year 5/6 gymnastics team who won their local schools tournament last week. They now progress to the district finals at Lady Lumleys. The Year 2 team are competing this afternoon in their local school tournament.

## Lunch Boxes

Lunch boxes still need to be put on the lunch box trolley in the corridor in a morning and collected from the dining room at night.

## Facebook Page

We now have an official community Facebook page which is called West Cliff Primary School - this is where we will post any photographs, newsletters, updates etc. If you were a friend of the school before you will automatically have become a follower of this page and will receive these updates in your news feed. Unfortunately this page does not have an easy option that allows parents to leave a message for other parents to see, or a question for them to answer. To solve this we are also a person 'Christina Zanelli', if you are friends with this person then you can leave messages that we and other friends can see. Don't worry - this is not my personal Facebook page! Facebook just won't let us be West Cliff as it is not a person! We will monitor all pages daily 😊. If you are confused by any of this please come and see me!

## RE - Big Question

This half term we have a new big question. To avoid any issues we have decided to put the question on here so you could discuss it with your child first. This half term the question is -

What is your opinion on the creation of the world?

If you have any issues regarding this, please see your child's class teacher.

## Knitting Club

Knitting club will finish at 3.55 this week.
