Dolphins	-	93.8 %
Seals	-	92.4%

Our whole school attendance for last week was 91.6%

Chicken Pox and Impetigo

Please can I make you aware that we have cases of both chicken pox and impetigo in school.

Sports

A huge well done to our Key Steps 1 gymnastic team who competed so well in yesterday's festival. All children represented the school fantastically well and did the school proud. Next week is the turn of the Year 6 indoor cricket team, keep an eye on next week's newsletter to see how they got on.

Clubs

Our school clubs are very popular and enjoyed by lots of children. However, please could we ask that the school office is informed if your child would like to join a club before attending, as some clubs are now oversubscribed. Thank you for your understanding with this.

Nursery Hours

You may have seen the government announcement that nursery entitlement is going up to 30 funded hours from September. This is for families where both parents work 16 hours or more. We will be writing to our Guppy parents soon, once we have more information ourselves! North Yorkshire would like to trial this from the summer term, but this will be dependent upon how many parents want to take up this offer! Please come and see me if you want any immediate information.
