## Attendance

As you know, we expect children to have attendance of at least 96% over the school year. These are the attendance figures for last week.

Puffins	-	92.8%
Starfish	-	92.2%
Turtles	-	94.2%
Penguin	-	92.1%
Seahorses	-	93.7%
Dolphins	-	93.2%
Seals	-	95.0%

Our whole school attendance for last week was 92.8%

## Sports

On Tuesday, ten of our year two children made a very long trip to York to compete in the North Yorkshire Youth Games. This in itself was a huge achievement, as the children had already beaten a huge number of teams (both locally and from

Pickering/Ryedale). This meant the team were representing the whole of Whitby and Ryedale in the Quad Kids event. Despite the horrendous weather the children were a real credit to the school. They showed great effort and determination and shone like total superstars. We are so very proud of them all! Over all they came fourth out of eight teams - a massive achievement. Well done all! A big thank you also to the parents who joined us for the event.

## New Parent Governor

We are delighted to welcome Annabel Storr to our Governing Body - congratulations! ☺ Thank you to all the candidates that put themselves forward, and everyone who voted.

## New Teacher

We are holding interviews next week for our new teacher, as soon as we have appointed a new teacher we will be able to let you know whose class your child is in next year!

## Reports

We have designed a new report format this year which we hope you will like! The reports are more visual and hopefully you will feel they celebrate your child's achievements. You should also be able to stick them to the front of your fridge! When you receive them, let us know what you think!
