Covid Update

We have a sharp rise in cases in school this week, both staff and children. We would ask that if your child does have symptoms, you still get them tested, and that if they do have a positive result then they isolate from school for at least 5 days (if they then have a negative test). It appears that vomiting now seems to be another common symptom 😞

The current government guidance is as follows:

Children and young people with COVID-19 should not attend their education setting while they are infectious. They should take an LFD test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature. They should follow the guidance for their educational setting.

If your day 5 LFD test result is positive, you can continue taking LFD tests until you receive 2 consecutive negative test results.

Comic Relief - 😊

We are delighted that we raised £172.00 on Friday for this very worthy cause.

Rights Respecting School Day - Friday 25th March

As an ethical Trust, we believe we have a role to play in supporting the Ukraine humanitarian appeal. We have therefore decided to hold a non-uniform day on Friday 25th March across all YEAT schools and would be grateful for any financial contributions, which we will donate as a Trust to the Disaster Emergency Committee (DEC).

Given the young age of our pupils, we are aware that any discussion around the war needs to be handled sensitively. As such, this will not be framed as a day for Ukraine, but instead will be linked to our existing work on the Rights Respecting Schools Award. This will include activities linked to the UNICEF Rights of the Child, which we have been working on in recent months.

Children can come to school in yellow and blue in return for a donation towards the people of Ukraine.

Thank you in advance for your support.

Reading in Classes

This week we have completed all of our class reading sessions. Thank you to everyone who has joined us for these - it has been wonderful to see many parents in school again. Thank you for your support with this.

Parent View Questionnaires - reminder

During our reading with parents sessions we have been asking parents to complete the Ofsted parent view questionnaire. We are expecting to have an inspection in the next term or so and would really appreciate it if you could support the school by completing a questionnaire. If you are unable to go into school for the reading sessions then you can still complete the questionnaire at home 😊
